

17 February 2025

Welcome to Alpine Sports Club

Thank you for your inquiry. Alpine Sports Club is one of New Zealand's oldest outdoor sports clubs. Established in 1929, it offers a wide range of activities, some of which are:

- Skiing/snowboarding from the club's Ruapehu lodges in winter
- Tramping and climbing trips year-round
- Alpine instruction
- Rock climbing, indoor climbing & mountaineering
- Bushcraft, mountain navigation & trip planning instruction
- Weekend and day tramping
- Midweek walks & tramps; veterans' activities
- Camping for members & families at Christmas and some holiday weekends
- Family & children's activities/trips
- Cycling
- Kayaking

Our activities cater for all ages, from our vigorous veterans' group, to young children who love our Small People on Big Hills programme. Families are particularly welcome.

The Club has two lodges on the Whakapapa ski field on Mt Ruapehu, and a comfortable hut in the Waitakere Ranges that can be used for all kinds of outdoor interests including tramping, access to nearby beaches, photography, botany, group get-togethers and outdoor education. These are available for members, their guests and groups to use all year round.

We hold a club meeting every first Tuesday of the month at the St Mark's Church Parish Hall, 95 Remuera Road, Remuera. Meetings start at 7:30 pm and include a wide variety of interesting presentations such as recent club trips, members' antics from all over the world, guest speakers talking about outdoor interest topics and expeditions, as well as information about club activities. Club evenings are a social occasion and a great opportunity to renew friendships and make new ones, or to meet leaders and members of proposed trips. Tea, coffee and biscuits are served after the presentation.

The club's highly popular summer camp usually has more than 120 members and their families camping together in a remote location over the Christmas and New Year break, as well as on some long weekends.

How to get started

New or prospective members can make contact with the club by either coming along to a club night (see the Meetings page) or by joining one of the advertised trips (see the Trips page) and getting to know others on the trip. You can contact the membership officer, to discuss your requirements or answer any questions you might have. Their contact number and email is listed, along with the subscription rates, in the following sections.

Joining Requirements

If you wish to join and don't know anyone in the club, you can simply join online and pay by credit card. Alternatively, you can download the application form from the website and post to Alpine Sports Club, P.O. Box 131, Auckland 1140 or send us your details using the online application page on the club website and someone will contact you to make you feel welcome.

Family Membership

Alpine Sports Club offers two types of family membership: two adults and children, and one adult plus children. You will need to send the details of your children, their names, gender and date of birth, to the membership officer to link to your family membership. Membership privileges for the children include reduced rates for hut bookings, club activities and family camps.

The appropriate annual subscription must be included or have been transferred to the club's bank account listed with the subscription rates. Reduced rates apply for prospective new members joining later in the financial year.

The club's bi-monthly magazine, *Alpinesport*, is published on our website and emailed to Club members in PDF format. Newsletters are also sent out regularly to keep members up-to-date with any important news or trip information.

New members are encouraged to join in as many activities as possible, particularly during their first year, as a way of getting to know other Club members and enjoying what we have to offer. It is hoped that all members will participate in some aspect of running the Club or helping to maintain our buildings on Ruapehu and in the Waitakere Ranges. Everything we do depends on volunteers.

Members are encouraged to support the regular working parties the club organises to maintain and stock the club lodges.

Families are particularly welcome to participate in a wide variety of ASC activities including easy day trips, camping together at Christmas, overnight tramps, biking and snowsport events. Children have a great time at the club lodges on Mt Ruapehu, skiing in the winter or for a mountain holiday outside of the ski season. The club hut in the Waitakeres is regularly used by family groups.

Our comprehensive website www.alpinesport.org.nz is a great source of information. Any queries may be addressed to the Membership Officer or Club Officers whose details can be found later in this document or in the front of *Alpinesport*, the Club magazine. They will be very happy to help.

You will find the Club very welcoming and friendly whether you are a skier, climber or trumper, joining as an individual or as a family.

Kind regards

Alpine Sports Club Committee

Subscription Schedule & Invoice for year ending 31st March 2026
